YUN TSAI

UX/UI Designer
yuntsaiintw@gmail.com | Kaohsiung, Taiwan | wanyuntsai.com

PROFILE

Junior UX/UI Designer with a foundation in user research, interaction design, and Figma prototyping. Experienced in designing component-based interfaces with attention to hierarchy, responsive behavior, and user flow clarity. Basic experience with React and Tailwind CSS through academic projects, with enough front-end knowledge to collaborate effectively with developers. Seeking a UX/UI internship where I can apply research-driven design thinking and continue growing in a real product environment.

SKILLS

- **UX Research & Design:** User Research, Information Architecture, Wireframing, Prototyping, Usability Testing, Journey Mapping, User Flow
- **Design Tools:** Figma, Adobe Illustrator, Photoshop, InDesign, Premiere Pro, After Effects
- **Front-End Development:** HTML, CSS, JavaScript; React, Tailwind CSS, React Router, Vite, MySQL, Express.js (academic experience)
- **Languages:** English (advanced), Japanese (advanced), Mandarin Chinese (native)

ACADEMIC PROJECTS

UX/UI Designer | VanLink — Metro Vancouver Transit App | 2025

- Led UX research in a 4-person team designing a transit and Compass Card app; identified real-time balance visibility as a top user need, leading to the integration of balance display directly on the home screen to improve accessibility.
- Produced high-fidelity wireframes and interactive prototypes, translating research insights into actionable design solutions.
- Conducted usability testing with 12 participants via Maze across 3 key task flows, iterating on the “Plan a Trip” flow and Compass Card top-up/activation experience based on behavioral insights.

UX/UI Designer | LearnNow — E-learning Platform | 2025

- Designed UI flows for a Japanese course (discover to save to enroll), focusing on interaction clarity and user experience.
- Built high-fidelity Figma prototypes and ran goal-based usability testing via Maze (8 participants, 2 task scenarios), iterating on designs based on click heatmap and behavioral data.

EDUCATION

Diploma — New Media Design & Web Development | British Columbia Institute of Technology (BCIT) | 2025–2026

- Design — UX/UI Design, Graphic Design, Motion Design, 3D Design
- Development — App Development (React Native), Web Scripting (HTML/CSS/JS, MySQL, Express, React)
- Media & Communication — Video Editing, Social Media Content & Strategy, Marketing

Bachelor of Arts — Japanese Language and Culture
Fu Jen Catholic University, Taipei | 2016–2021

Japanese Language — JLPT Preparation
Toyo Language School, Tokyo | 2018–2019

VOLUNTEER & LEADERSHIP EXPERIENCE

Volunteer | Xing Xin Society — Lide Team, Fu Jen Catholic University | 2017–2018

- Organized and facilitated recreational camp activities and companionship sessions for incarcerated youth at a juvenile rehabilitation institution in Taiwan, developing empathy and adaptive communication skills across diverse audiences.

Student Mentor | Xiong You Association, Fu Jen Catholic University | 2017–2018

- Served as a designated mentor to junior members within a university student organization, providing guidance and community-building through group activities and regular engagement.

Community Volunteer | Toyo Language School, Tokyo | 2018

- Participated in school-organized community service in Edogawa, Tokyo, including neighborhood clean-up initiatives and conversation sessions with local elderly residents, strengthening cross-cultural communication skills in an immersive Japanese-speaking environment.
